AND

WHEREAS, each party's education, examination and/or experience requirements for the licensing and registration of private investigators and private investigation agencies are satisfactory to the other party as applicable to their respective statutes.

NOW THEREFORE, it is agreed that a resident or a sole proprietorship, partnership, corporation or other similar business entity of Georgia or Alabama who is/are currently licensed as a private investigator or private investigative agency by his/her/its state of residence, may be granted a limited reciprocal licensure exemption from the licensing requirements of the reciprocating state.

The exemption does not authorize private investigators or private investigative agencies to solicit private investigative business in the reciprocating state or to conduct private investigative business in the reciprocating state other than as specifically stated in this paragraph

FURTHERMORE, the Parties agreed that:

- a) All individuals exempted under this agreement be affiliated with a properly licensed private investigative agency.

- c) This agreement may be terminated by either party upon thirty (30) days written notice.

IN WITNESS HERETO, the Agencies have caused this agreement to be executed by their respective officers, State of Georgia, Private Detective and Security Agencies Board, and the State of Alabama, Private Investigation Board.
