Application Instructions and Checklists for Licensed Private Investigator

General Statement:

The APIB desires to provide courteous and timely service to all applicants. To maximize its efficiency and the level of service, the Board will process **complete applications only**. Complete applications will be the Board's first priority. Incomplete applications must have deficiencies addressed. Read all instructions carefully. The Board will not act as your agent in gathering information or supporting documents necessary for the consideration of your application. **Make all checks payable to APIB and send with application to: P.O. Box 241206; Montgomery, AL 36124-1206.**

You should carefully read the APIB Licensure Law and the Rules and Regulations (also available on this web site) to familiarize yourself with them prior to beginning to complete the application. Please copy all forms submitted to the APIB for your records, as you may need some pages for future reference.

The APIB has been given the responsibility of protecting the public safety and welfare by regulating private investigation in the State of Alabama, which is our first concern. In addition, we are striving to meet the needs of the professional private investigators, who provide investigation services to the public. Therefore, we have attempted to make the rules and regulations and the application process as "user friendly" as possible. However, as you progress through the application process and, in time, the renewal process, you may have specific recommendations for improvement. We welcome suggestions and request that you mail them to our office in Montgomery.

Checklists: Checklists have been created to assist you in completing your application. Locate the checklist for the method by which you are applying for a license. The checklists will direct you to the appropriate forms to complete. The following is a list of APIB checklists from which you should choose:

- License by Work Experience (Business Owners)
- License by Work Experience (Employees/Contractors)
- License by Credential (Examination)

Application: Applications must be typewritten or printed in ink and must be legible. Complete the entire application. **Leave no space blank**. If a particular question or request for information does not apply to you, put a short line in the blank space or cross out the entire section to indicate the question or section has received your attention. Failure to supply necessary information may result in denial of application. All items that appear in red are required enclosures to be submitted with your completed application.

Your full name, social security number, and date of birth are essential for identification purposes. This information will be for confidential Board use only. Please supply this key information. The preferred contact information, name, and license number may be used for publication of a roster of licensees on the Board's web site.

Application Process: Once your **complete application** with payment has been received, your application will be reviewed by the Board. You will then be notified of your status by letter (generally, within ten (10) business days).

If you answer, "yes" to any of the following questions you are required to furnish explanation, date, place, reason, and disposition of the matter on a separate sheet of paper attached to this application. If you check "no" to any of the following questions regarding arrests or charges and there is an arrest record listed on your ABI or FBI report, your application could be denied for a material misstatement.

DUI or DWI charges are considered criminal charges. These types of charges must also be disclosed on your application.

If you were told that a charge or arrest would be expunged from your record, and you would not need to report the charge as an arrest, you should verify with the court that the record was expunged and that you have "no arrest record" for the charge or arrest before completing your application for licensure. Failure to report charges or arrests that have not been expunged from your record could result in the denial of your application for a material misstatement.

If you answer yes to any of these questions, it will be necessary for you to provide the following for each charge: a copy of the charging instrument (indictment, criminal information or complaint), certificate of disposition from the court, including suspended or deferred sentences, and a written explanation of the events that surrounds the charge(s). Applicant Fingerprinting FAQ's:

Why am I required to have a background check?

The Alabama Private Investigation Board was established to protect the public. In the Board's enabling statute fingerprints are required as stated below:

§ 34-25B-3. License required; criminal background check.

".....All applicants shall pass a criminal background check based on criteria established pursuant to Section 34-25B-4. (Act 2013-306, § 3.)"

Can I purchase my own ink and fingerprint myself?

No. Fingerprinting should only be conducted by officials properly trained to take acceptable fingerprints. Fingerprint card submissions that do not meet the required specifications will not be processed.

What kind of fingerprinting card is required?

You do not need to know the type of fingerprint card or provide your own fingerprint card. The law enforcement agencies that will be processing your fingerprint card already have the fingerprint cards used for the ABI for running State and Federal checks. Live Scans cannot be accepted at this time.

Where are the fingerprinting locations in my area?

The Alabama Private Investigation Board will accept fingerprint cards from any law enforcement agency in Alabama. A detailed list of all law enforcement agencies can be found at www.myfbireport.com/locations/lawEnforcement/AL.php

What am I required to bring to the fingerprint site?

Bring your completed ABI Form 46 with the Alabama Private Investigation Board's ORI# and Instructions (these forms are provided in the application) and a qualified State or Federal photo ID to the fingerprint site. Applicants will not be processed if they cannot produce acceptable identification.

What is an acceptable form of identification?

Fingerprinting locations can only accept current, valid, and unexpired picture identification documents. However, in the absence of the new driver's license additional forms of identification may be presented.

- A state issued driver's license which meets requirements of Public Law 109-13
- A state identification card may be presented if the state's identification card standards are the same as for the driver's license

Applicants may provide one or more secondary documents including:

- State Government Issued Certificate of Birth

Do I have to schedule an appointment to be fingerprinted?

In most cases, no appointments are required. Simply walk-in during established fingerprint hours. In all cases applicants should check the fingerprinting location for the fingerprint times of all sites as hours may change.

Fingerprint location sites work on a first come, first serve basis. Be advised that during the initial few weeks of the program, fingerprint traffic may be heavy. Plan your visit to fingerprint locations accordingly. Do not send large groups of employees at one time. Plan to send employees to print locations over weeks, not hours. Contact the fingerprint site nearest you if you require a large group of employees to be printed. Ask the fingerprint site how they want to handle the processing of prints.

How do I know my personal data is secure?

Your personal data traveling from the fingerprint equipment is comprehensively secured and regulated by both State and Federal regulations governing the use of that data.

How much do I have to pay for my fingerprint cards?

Each law enforcement agency charges differently for fingerprint cards. Please check with the fingerprinting location of your choice prior to getting your fingerprint card to see what they may charge and their accepted forms of payment. You will not have to pay for the processing of fingerprints because the Board will send the fingerprint cards that are received to the ABI to process both State and Federal criminal history. Make sure the law enforcement agency understands that you are only requesting a card to mail to the Board office.

What do I do with my fingerprint card given to me by the law enforcement agency?

The law enforcement agency will give you three sets of fingerprint cards (required by statute and provided in instructions for ABI Form 46 taken to the fingerprinting locations). You will then mail all three cards and the completed ABI Form 46 to the Board office. Fingerprint cards received with no personal identification information will not be processed by the ABI.

Once I complete the fingerprinting process how long will it take for the results of the background check to return?

Results of the background check will be reported to the Alabama Private Investigation Board usually within ten (10) business days of initial processing. All inquiries regarding results of the background check should be addressed to the Alabama Private Investigation Board office. If you have questions regarding your fingerprint status, please contact the Alabama Private Investigation Board office for further information at 334-215-0693 or apib@leadership-alliance.org.

I still have additional questions, who can I call?

For answers to additional questions regarding fingerprinting for licensure, contact the Alabama Private Investigation Board office at 334-215-0693 or apib@leadership-alliance.org.
